<b>Assistant Coaches</b>	Paul Rutgers
Seconds Coach	Matthew Taylor
Thirds Coach	David Beaumont
Fourths Coach	Paul Housden
<b>Ground Manager</b>	Peter MacFarlane
<b>Royals Club</b>	

# PRESIDENTS REPORT

Thank-you all for attending tonight's Annual General Meeting & General election.

Season 2017-2018 has had its high's & its low's.

Firstly, through an extensive search we were honoured to appoint John Hussey as our Senior Club Coach for the season with Paul Rutgers as assistant, and coach in waiting.

Unfortunately we lost our top diamond for the complete season due to ground maintenance, but with a lot of juggling for our junior games and our Senior double headers, we managed to get through it all.

Starting the season with a total of 20 teams, including 13 junior teams.

Our hopes were high with many young players starting to mature and have an impact at the Senior level, and at times it looked promising, but ultimately it was difficult to sustain this energy & level over such a long season, but to finish the way we did was exciting for all, and give hope for the coming year.

Behind the scenes, we couldn't be stronger, again the committee have all been a fantastic support.

Our executive committee – Julie Lane as Treasurer, Andrew Flynn as Secretary and Rick Wills as Vice President.

Our general committee - Darren Wilcox, Ralph Watson, Michael Socic, Marty Smith, Greg Street, Steve Smith, Gary Seignoir & Graeme Trad...the club are indebted to you all

Our groundsman 'Fuzzy', continues to keep our grounds in perfect condition. Assisted by Peter Lane, Andy Holten, Darren Wilcox, Grant Tucker, Peter Arthur, Peter Boyd, Andrew Flynn and others.... thank-you.

Peter McFarlane running our 'Royals' club & their luncheons with the support of Nicole Livingston organising our guest speakers. With the tremendous help from our catering team Nicole, Jan Street, Frank's Café, Church St Butchers, including helpers Catherine Beaumont, Detsy Holten, Jane Morris & Dianne Watson.

The canteen, always an integral part of our club, unfortunately our revenue was down this year, with the loss of our top diamond, but it could not survive without our team of helpers Ralph & Dianne Watson, Andrew Flynn, Catherine Beaumont, and others....

To help take the strain from our dedicated team we also employed helpers Shona Flynn and Nick Socic. Thank-you all.

Again, we have been fortunate to have 4 junior boys & 1 x junior girl to make State teams with numerous amounts of Mariners representatives....we are proud of them all.

Our Masters program organised by Andy Holten, Darren Wilcox, Steve Smith has proved that age will not weary them.

Our Women's team, made it to the Prelim final for the second year running. We hope that they continue to take this further and grow our involvement in the resurgence of Women in sport.

Our two's, three's & fours at times showed great promise and were not far off finals contention.

Our junior program continues to prosper, with 3 pennants to:

- Little League Minor
- Intermediate League
- Little League Major

now proudly displayed on our winners wall, but it is important we recognise the dwindling numbers of the T-Ball program, not only within our own club, but amongst the entire league, it must be an area of concentration from Baseball Victoria if we want to continue to grow our sport.

We have seen ground improvements with our new 1st baseline fence and plans submitted to the council for the introduction of a scorers shed, which we are hopeful of having complete ready for the coming season.

We hosted our 6th annual Charity 'Pink' day, once again with fantastic success, although we could not have all 4 Senior teams playing at Sandy on the day, it was well attended with probably our biggest crowd to date, this year donating a total of \$4,000 and now nearly \$30,000 to date to the Breast Cancer Network.

2018 will be Sandringham Baseball Club's 90th Anniversary, the committee are working on making this our major event of the year for all to celebrate.

Our club Coach John Hussey was an appointment for 1 year only as he continues to coach in the Czech Republic, but the club will be forever grateful to him passing on his knowledge, and teaching our young playing group in taking their skills to the next level. Paul Rutgers, our coach in waiting is now ready and excited for what lays ahead.

To the Sponsors who have supported our club, we cannot survive without you, your loyalty is important and we hope you continue to support us for years to come.

The main sponsors who I would like to thank are:

Connexions	Charmaine & Graham
MonJon Security	John Moncrief
Church St Butchers	Stephen Pocock
Connolly Wealth Management	Chris Connolly
Hampton Travel & Cruise	Gary Seignoir
Buxtons	Mark Earle

It is now the time that I wish to announce my resignation as President of the Sandringham Baseball Club. With the increasing demands in my business, family and personal life, I have found it necessary to step down and hand over the reigns to someone who can continue to make our great club what it is today, with the ultimate glory of a Division 1 premiership.

I have been honoured to be President and have thoroughly enjoyed my time leading our club for the last 2 ½ years – yes it has its many challengers, but the reward is immense in seeing our club continue to be a club of great respect and a club of choice for many.

I step down in knowing that our incoming Executive Committee will continue to lead as I have done and as Greg Street and others have done before me.

I would like to thank our committee, our loyal helpers, all our members & supporters and my wife Catherine for all their support.

I may be stepping down from my role, but I will continue to be around the club, cheer on our teams and support where I can.

Thank-you all.

Tony Beaumont  
President  
Sandringham Baseball Club

# SECRETARY'S REPORT

The year began early with the hiring of the coaching panel and I believe the sub-committee established nailed it with the John Hussey and Paul Rutgers appointments. I got to know John over the season and I admire the passion and dedication he brought to his role. I also got to know that he could fire up in staunch defence of our club when needed. I thank him for that. I am looking forward to seeing Paul come to the fore next year and continue the great work started by Huss.

The first curve ball of the season was thrown by the Bayside Council when we were informed that the Spring St reserve was to be re-laid and we were to lose 2 diamonds for the entire season. The council had endeavoured to find us an alternative but that was to no avail and with only a week prior to the season opener we were scrambling to adjust the schedules to fit in all our teams. Apologies must go out to our 3rds's and 4th's who had to cope with the majority of the disruption and I thank you for your understanding. The under 14's and 16's too were effected but the upside is we now have a great new surface for future seasons to come. I would like to acknowledge the council for all of the support they provide the club. Remember they are our major supporter and sponsor.

Baseball Victoria was constantly a struggle for me this year, and with high staff turnover issues took time and a lot of frustration to resolve, mostly not in our favour. I had a number of major run-ins in support of our club and at times the communication between us just baffled me. I know we were not alone in our frustrations and it is encouraging to see BV instigating a number of initiatives going forward to try to make the running of the game smoother and fairer for all. All we ever ask is for an even playing field.

Of major focus for BV is discipline and this year saw us with a couple of cases to answer. Some criticism levelled at us this year has been deserved some not so, but I implore all our players and spectators to treat the umpires and opposing players with the respect we demand and expect ourselves. The good name of Sandringham Baseball Club should remain paramount to us.

Playing numbers were very strong again this season, and I thank all of those people who either coached, managed or scored. Volunteers are the backbone of our club and we have been blessed with many great contributors. From the marvellous and tireless job Fuzzy does to ensure our facilities are the envy of the competition, to our hard working committee and canteen workers. I personally wish to thank Rick, Julie and Tony for all of their efforts this year and for sound advice when Baseball Victoria wore me down. Special thanks too to Peter McFarlane for his fabulous work with the Royals Club. I ask everyone to consider what they can do to help the club and look forward to seeing some new faces helping out next season. It is with some sadness that I am resigning my position as Secretary this year, but my intention is still very much to be a part of the club and help out in any way I can. I will also work with my successor in ensuring a smooth transfer, and will be available to them for any questions that may arise. Thank you to everyone who has made my role so enjoyable and I look forward to seeing you all around the club next season.

Andrew Flynn

Secretary - Sandringham Baseball Club

# TREASURERS REPORT

The year ending March 31, 2018 was a challenging year financially for the club.

This year the committee decided to appoint a new auditor, and we thank Andrew Townsend for his work. As a result the financial reports have a new format, and there have been some minor changes to classification of expenses. For those members who would like to peruse the report, please see me to obtain a copy.

With the top field being unable to be used for this season, sales were down from the canteen. Also it was decided to employ someone to serve in the canteen on Sundays, as we had trouble finding people to assist voluntarily. Thanks to Shona Flynn and to Nick Socic for their work during the summer.

In the accounts membership fees are significantly down compared to last year. This is because the BV and BA fees were paid directly through the website registration, as opposed to coming to the club to then pay BV and BA. Overall, membership fees were up from the previous year.

Coaches fees increased from last year as the Committee implemented a new coaching strategy for this one year.

We thank all our sponsors for their contributions, and the Committee will again focus on attracting new sponsors for the 2019 year, as well as applying for various grants that will benefit the club. Connexions, who have been a major sponsor for a number of years are not yet committed to the following season. If they are unable to continue their support, the club will need to work hard at finding new sponsors to ensure the club can continue to operate at its current level.

Our Royals club was again a significant source of income for us, and many thanks go to Peter and Sandy Macfarlane for organising this, and thanks also go to all who helped, it is always quality food and great entertainment.

Yet again we had fabulous support for our breast cancer fundraising day, and all the hard work by everyone involved resulted in us again donating \$4,400.

Club merchandise sales were good this year, with thanks to Darren Wilcox for overseeing stock and maintaining inventory.

This year we were able to have a fence erected down the first base line, improving safety for supporters, and we also purchased a new line marking machine.

Other expenses for the year were quite similar to previous years and we aim to keep these as low as possible.

The Club has a surplus of \$30,000, putting us in a very healthy position.

A final thanks to all the committee members, and to everyone who helps out.

**Julie Lane**  
**Sandringham Treasurer**

**Sandringham Baseball Club Incorporated**  
**Independent Auditor's Report to the Members**

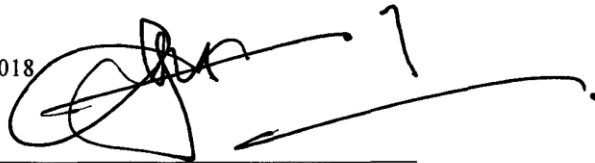

---

**Qualified Opinion**

1. In our opinion, except for the possible effects of the matter described in the Basis for qualified opinion paragraph, the financial report presents fairly, in all material respects, the financial position of Sandringham Baseball Club Inc. as at 31 March 2018 and its financial performance for the year then ended in accordance with the accounting policies in Note 1 and the Associations Incorporation Reform Act 2012.

2. In our opinion, because of the nature of the comparative figures in relation to the results of the operations of the association for the year to 31 March 2018, we are not in a position to, and do not, express an opinion on the comparatives for 2017 and the results of its operations and its cash flows for the year ended on that date.

Signed on : 29 May 2018

## Financials

Club Members should make written contact via the Club President, Treasurer or Secretary, if a copy of the 2017-2018 full financial report is required. Email details for each of these office bearers can be found at [www.royalsbaseball.com.au](http://www.royalsbaseball.com.au)

# CLUB COACH REPORT

Firstly, I apologies for not being able to provide a detailed report, but I have been caught up preparing our team for the European Cup.

Sandringham Baseball Club will always feel like home for me, having started my junior career at Sandringham, and now to be given the opportunity to coach the club was a tremendous opportunity for me, although only for the one season.

I came to the club, as I saw tremendous potential with the young, but talented playing group. While part of the season showcased this potential, it unfortunately didn't progress as we all had hoped, but still the talent is there and to soon explode.

Moving forward, hitting needs to be a major focus for the senior playing group, as this will be the difference in Sandringham becoming a top ranked team, and our players must adopt the club culture.

Players hanging around after the game and sitting with their team mates when they are injured is all a part of it.

We now have a hitting coach as our manager and he will need to take responsibility for working with all our hitters individually, much like Tim does with the pitchers.

I would like to see the club and coaches go after another bat or two (local guys), but keep them young and on field personalities over pure ability.

Everything else is above and beyond around the club. We need the playing group to replicate our committee with love for the club, and our head coach to take it upon himself to turn our hitting woes around.

I enjoyed my time at the club, and look forward to seeing them reaping the rewards they so richly deserve.

Thank-you to all the players, fellow coaches, Paul Rutgers, Tim Ballard and Marshall Skinner and most importantly the committee for helping my tenure at the club an enjoyable and exciting one.

John Hussey

Club Coach – season 2017-18

## **Junior Award Winners – 2017-2018**

### **Rookie Ball**

M.V.P: Cassie Evans  
Most Improved: Blake Dick  
Coaches Award: Synesios Frangos

### **Little League Friday Kings**

MVP: Sunny Fontana  
Coaches Award: Meesha Evenden  
Coaches Award: Lachie Caldwell

### **Little League Friday Royals**

MVP: Harley Knox  
Most Improved: Kayden Morcom  
Coaches Award: Xavier Connor

## **Acknowledgements**

In closing we would like to thank:

The Bayside City Council for their continued support and assistance throughout the year.

Our new auditor Andrew Townsend for auditing our books

...And all those you have contributed over the past season.
